

April 27, 2020

Greetings Continental Sisters,

It is my hope that everyone is safe and well. The Imperial Palace, Biloxi, MS, the host Hotel for our 64th National Conclave, has informed us that we have been released from our contract for the National Conclave. Therefore, there will be no Conclave Meeting in June 2020. Further details will be provided as they become available.

In regard to Program Reports, chapters are not expected to submit Program Reports for judging this year. There will be no judging of programs this year. We are asking all chapters to submit the summary reports of programs for the 2019-2020 pursuant to the guidelines issued by the National First Vice President and National Program Committee. Chapters will be acknowledged for their contributions to their local communities. Further information is forthcoming regarding the particulars of this initiative.

Our National Scholarship Committee is continuing to process submissions for scholarships from the Regions. Additional correspondence will be provided to the Regional Directors regarding scholarships for the 2019-2020 Program Year.

At this time, the National Board of Directors continues to work hard with continued attention and focus on many administrative tasks associated with the functioning of our beloved organization. I would like to extend my heartfelt appreciation for their continued diligence, time and efforts as we operate in these unprecedented times.

Continentially,  
Robin T. Browder  
National President  
Continental Societies, Inc.
